

# Stockers Car Club

Colorado Springs, Colorado

## NEWSLETTER

*The comments and opinions in this newsletter are of the author, not the club or its officers.*

**Monthly Meeting:** Our next general meeting will be at The Public House @ The Alexander, 3104 N Nevada on Tuesday, **September 1st** at 6:30pm. **If you would like to eat, please come early.**

**2<sup>nd</sup> Saturday Car Show:** Our next show is **September 12th**.

**Monthly Ice Cream Social:** BJ's Velvet Freeze **WE moved back to the Union Velvet Freeze** - third Wednesday of each month around 6:30pm.

**CARS AND ICE CREAM**  
**BJ's Velvet Freeze**  
1511 N. Union Blvd

They  
serve hot  
food too!

**Every  
Third Wednesday  
6:30pm**

**HAPPY  
LABOR  
DAY!**

**Together We Stand!**

Labor Day is celebrated to honor the social and economic achievements of American workers. It recognizes how contributions from the labor movement built the country's strength, prosperity, and well-being.

# Happy September Everyone!

*Keep Cruising!*

A silver Volvo Polestar 1 sports car is displayed on a red carpet at an auto show. The car features a sleek, aerodynamic design with a prominent front grille and large, multi-spoke wheels. Several people are standing around the car, examining it. In the background, other vehicles and exhibition booths are visible.

**Our Ice Cream Social** in August had the best weather of the year. It was a bit overcast and the temp was in the high 70s. BJ's Velvet Freeze was not crowded and even the drive-thru emptied out a couple times while we sat there. We had a small crowd, but great conversation. Mark you calendar for the third Wednesday of the month around 6:30 pm to join the crew and enjoy an ice cream sundae or whatever your heart desires. BJ's has been around since 1954 serving popular items ranging from traditional soft-serve cones and blended "Icebergs" to signature pork tenderloin sandwiches and combo meals.

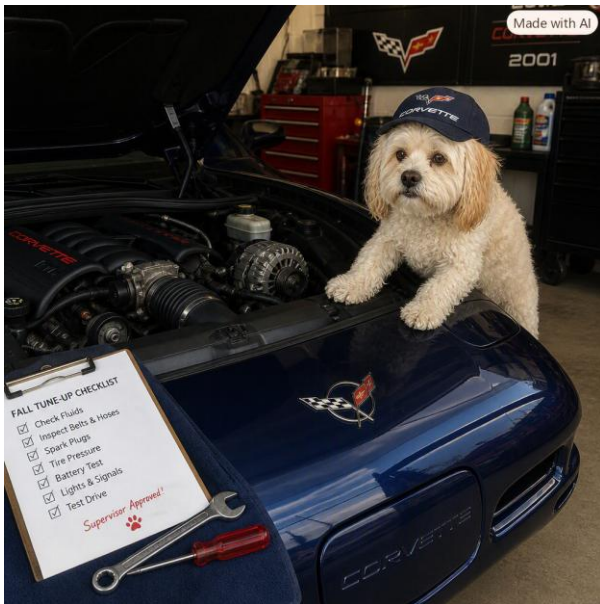

**August Second Saturday Car Show** – Another absolutely amazing car show! Personally, I would have to say this was one of the best car shows around ... and it was free and people could come and go as they pleased. Sami said there were about 280 cars! She has about 50 pictures of the show posted on our Facebook page.

I know I saw a lot of people hanging out at the Silent Auction tables all day. **The Silent Auction brought in \$1,372** for our charities.

The Hot Wheels action started slow, but really ramped up through the day. Butch brought over another big bag full of brand-new cars!! Marv and I were able to keep the racers in check all day.

As Summer turns to Fall we have to start thinking about how we are going to store our cars. I asked our good friend Google about it and here's what "he" said: "To properly prep a classic car for winter storage, fill the gas tank and add fuel stabilizer, change the engine oil, plug in a battery tender, inflate or elevate the tires to prevent flat spots, and thoroughly wash, wax, and cover the vehicle in a dry space."

Of course, Teddy takes this quite seriously as you can see here, as he ponders his Fall Tune-Up Checklist.

## *Stockers Car Club*

The city of Colorado Springs reached out to us to help bring some attention to a group of shops that were down on business due to road construction. We reached out to the car community and boy did they show up to make a difference. Stockers, Sweet Rides, Blown Income, Park Vista Gearheads, and a bunch of others all showed up to make a difference. We thank you all! Hopefully a lot of people saw us, dropped in, and discovered the businesses too.
